

The Serpent Is Calling

October 2nd - 4th, 2009

Woodland Altars
33200 State Route 41
Pebbles, Ohio 45660

Join Terri Rivera, Kellianna, Valarie Endemann, and Ross Hamilton, author of *The Mystery of the Serpent Mound: In Search of the Alphabet of the Gods* for a sacred weekend of music, workshops, ceremony and celebration at beautiful Woodland Altars in Pebbles Ohio.

On Friday night we will open our circle with a ritual cleansing through each of the elements. Later that evening we will gather for a fireside concert with Terri Rivera and Kellianna.

On Saturday experience the power of making your own Spirit Doll with Valarie Endemann. Author Ross Hamilton will join us Saturday to talk about the Serpent Mound and it's mysteries, and then later that evening we will go to Serpent Mound for private evening ceremony.

There is an optional sweat lodge following the Serpent Mound ceremony, led by Terri. Our fire circle and lodge are located on privately owned land adjacent to the Serpent Mound. This sacred land is a part of the ancient Serpent Mound complex, before there were borders and boundaries, and we are honored at having the opportunity to gather here and celebrate. Sunday morning we will gather for our closing SpiritSong circle, led by Kellianna.

We will enjoy brunch together after closing ceremony, then it's time for packing up.

Food

We are doing something different with the food this year. There will be great organic vegan/vegetarian food prepared for us and we ask everyone to bring a dish to share at our Friday evening Community Potluck dinner.

Breakfast will be continental style, set up in each of the cabins, and we will enjoy Saturday lunch and dinner and Sunday brunch created by our amazing cooks.
